

Women's Retreat

Group Registration
September 15-17, 2017

In order to receive a group discount we will require a minimum of seven (7) individuals and a guarantee of 1/2 the maximum occupancy for each room you would like to reserve. In other words, if a single room has a maximum occupancy of 8 people, we will require a minimum guarantee of 4 people in order to reserve that room. Also, we will require 1/2 the normal deposit, which would be \$20 per person rather than the individual deposit of \$40 per person.

Registration includes dinner on Friday through brunch on Sunday, program and all recreation activities.

Our part:

We supply all necessary informational brochures, registration forms, confirmation notices, etc. that you will need to register and confirm your campers. You will receive a 10% reduction in camp fees for each camper.

Your part:

- You decide how many camper spots you want to reserve
- You secure the spots by requesting a contract and making a deposit of \$20 per individual, paid in one check
- You collect the completed registration cards and money from your campers
- You give the camper the confirmation information
- You give Hartland the completed forms and one check for the balance of the fees due
