

2010 Summer Camp Group Discount information

Hartland offers a discount camp fee for churches that will guarantee a certain number of campers, help with the registration process, and secure counselors for their campers.

How it works

Our part:

We supply masters for the registration form, confirmation notice, medical form, etc. that you will need to register and confirm your campers. You will receive a \$34.00 reduction in camp fees for each camper. The individual camp fee for 2010 is \$360, so that means you pay only \$326 for each camper by registering as a group. We will also provide you with a free promotional video and posters to get the word out to your students.

Your Part:

1. You decide how many camper spots you want to reserve and mail or fax your Letter of Intent.
2. You secure the spots by signing the contract(s) and making a non-refundable deposit of \$35 per camper.
3. You collect the completed registration cards and money from your campers.
4. You give the campers the confirmation information, medical forms, etc.
5. You supply one counselor for each 7 campers. There is no charge for the counselors to attend camp.
6. 5 weeks prior to camp, you give Hartland one check for the balance of the camp fees due.
7. 2 weeks prior to camp, you give Hartland the cabin assignment sheets, completed medical forms, and volunteer counselor applications.
